

E-Cycling Information

Make the environmentally responsible decision and recycle today!

Consumers increasingly rely on technology for everyday activities, and advances in this field continuously render electronics obsolete in a relatively short period of time. It is important that we recycle our “ewaste” in an environmentally friendly manner so these harmful materials do not end up in our landfills.

The following collection events allow residents to drop-off items for recycling at no cost;

SEPTEMBER 26, 2015 - EASTERN HILLS MALL, WILLIAMSVILLE, NY 9:00 AM – 2:00 PM

OCTOBER 31, 2015 - RALPH WILSON STADIUM, ORCHARD PARK, NY 10:00 AM– 3:00 PM

NOVEMBER 14, 2015 – WEST SENECA, EAST SENIOR HIGH SCHOOL, NY 9:00 AM – 2:00 PM

FOR MORE INFORMATION ON THESE COLLECTION EVENTS VISIT WWW.SUNN.KING.COM

Frequently Asked Questions:

How do I dispose of a microwave?

Modern Disposal will take microwaves in recycling. Refrigerators, freezers etc. must be tagged by a certified dealer that the Freon was removed before putting out for disposal.

Where do I take my old TV set?

You may either dispose of your TV at one of the above drop off sites or any Best Buy in WNY will take printers, computers, and TV's 32" and smaller. You are allowed 3 items/per person/per day. Call your local store for more information.

Where do I take old tires?

Dunn Tires will take your old tires without rims for \$2.00 a tire. Please contact your local store for locations and hours of service.

What do I do with old paint?

Dry it out before you throw it away. Wet latex paint can be hazardous, so dry it up. If there's only a small amount of paint in the bottom of your can, leaving it out in the sun should do the trick. If there's a bit more than the sun can handle, try adding kitty litter or newspaper to help soak up the paint and speed the drying process.

How do I dispose of batteries?

Alkaline Batteries are safe to dispose of in your trash. More information on batteries is available through the Earth 911 website.

How do I dispose of Pharmaceutical Waste?

ANY unwanted or expired prescription or over-the-counter medications, syringes, liquids, ointments, patches, etc. can be brought to the Alden Town Hall. We are open M-F 9:00 a.m. – 4:30 p.m.

***Erie County** provides multiple Household Hazardous Waste Collection Days each spring. For information about the next event, please call Erie County Dept. of Environment & Planning @ (716)858-6800 or visit their website @ Erie.gov/environment/compliance/hazardouswaste.asp.
